Dear Harvey,

Your letter of the 26 came today. If I am not sure I understand the situation, I think it has to do with the motion on the running of the statute. This is not what I understood earlier. I'm sorry if I'm dense. Things are rough, I sleep but little and I stay too weary.

I can't come Monday but I will come Tuesday. Our situation has deteriorated to where I think I'd better use the bus. I don't know the schedule, but I'll take the earliest one possible. I should be in your office 10:30-11:00..

Last time I forgot to get my own medical notes. I need these to prepare a list of what to ask of GHA. I hope your secretary can remind me not to forget them again.

You have the Taft correspondence file. It may be that it holds something bearing on the notes in the Leahy file.

Sincerely,

Harold Weisberg
